HGV Technician (Progression to Workshop Controller)

Commutable from Northampton, Wellingborough, Kettering, Bedford, Milton Keynes, Rugby, Banbury, Brackley and more

£35,000 - £42,000 + Progression to Workshop Controller + Fantastic Training + Profit Bonuses + 25 Day Holiday + Birthday Off + Pension

Are you from a HGV engineering or leadership position looking to join a national company who will invest in your ongoing development to progress into a management position to take the next step with your career, while enjoying great benefits such as bonuses and annual leave on your birthday?

On offer is the chance to get on board with a well renowned business who are willing to work with you to progress your career into a workshop controller, giving you all the training and support you need to thrive in the position, alongside a great working environment.

This company are an international business that specialise in the hiring of heavy goods and specialised vehicles, as well as fleet management. Due to continued growth they are looking for someone with a Technical HGV background to progress into a leadership capacity.

In this role you will be involved in leading the day to day running of a fast paced vehicle workshop, specialising in heavy goods vehicles and specialist municipal/ recycling vehicles.

Your role will be very varied, with duties including scheduling, quality, management, diagnostics and more.

The role would suit someone who has prior Technical HGV experience, for example as a technician, workshop controller, workshop manager or similar. You should also hold a HGV license.

The Role:

*Working in a municipal workshop environment

*Day to day control of the workshop

*Involved in various aspects including scheduling, quality, diagnostics, and more

The Person:

*Experience in a HGV Maintenance/ Technician environment

*Wants to progress into a workshop controller position

*Class 2 license or above
