Job Opportunity: Biomedical Scientist (Band 5)

OrganisationWarrington and Halton Hospitals NHS Foundation Trust

LocationWarrington Hospital

Reference: | **Area:** AHP | **Site:**Warrington Hospital | **Department:** Histopathology

GradeBiomedical Scientist Band 5

Start Date:April 1,

Hours37.5 hours per week, Monday to Friday, 9am to 5pm

Overview:

Are you a skilled Biomedical Scientist seeking a rewarding role? Warrington and Halton Hospitals NHS Foundation Trust is seeking a dedicated Band 5 Biomedical Scientist to join their Histopathology Department at Warrington Hospital.

Main Duties:

Perform routine and specialized analyses accurately and efficiently, both independently and collaboratively.

Analyze tissue samples to identify abnormalities or diseases under the microscope.

Prepare tissue samples for testing using various laboratory techniques.

Operate and maintain laboratory equipment effectively, troubleshooting technical faults as needed.

Collaborate with other healthcare professionals to discuss patient cases and findings.

Maintain accurate records of test results and patient information.

Adhere to all relevant health and safety regulations and quality assurance standards.

Requirements:

HCPC registration as a Biomedical Scientist.

Bachelor's degree in Biomedical Science or a related field.

Previous experience working in a histopathology laboratory preferred.

Strong attention to detail and accuracy in laboratory work.

Excellent communication and teamwork skills.

Ability to work independently and manage time effectively.

If you are interested in this role or would like further information, please let me know, and I will be happy to provide you with more details.

If you meet the requirements and are prepared to contribute to a dynamic laboratory environment, apply now!
