**About Nurseplus**

At Nurseplus, we're all about providing the highest quality temporary care staff. We're big on quality, heart, and going the extra mile, and we believe in giving our team everything they need to truly impact the lives of the people we look after.

We're a close-knit team that values a supportive and welcoming work environment. This means our staff get all the chances and tools they need to advance in their careers and help deliver incredible care to those in need. Join us, and let's make a difference together!

Our services are available within a variety of care settings to a wide number of clients, all with individual needs; you could be supporting people with learning difficulties, complex care needs, mental health needs, dementia and providing care for older people.

As a Homecare Worker you will be required to support your client holistically in order to promote their well-being and ensure they have an excellent quality of life. Support may consist of companionship, administering medication, assistance with nutritional needs and providing personal care to clients in the comfort of their own homes. You will also be required to adhere to clients' individual care plans.

What Nurseplus can offer you as a Homecare Worker:

Flexible shifts to fit around you – full or part-time, days, nights and weekends
