Company: Frasia Wright Associates

Location: United Kingdom

Category: other-general

We have been exclusively instructed on three new roles with our client, a successful Scottish Law Centre and Charity. The organisation is currently seeking Solicitors to join its Housing, Court and Mental Health Department with the opportunity to work from home a few days per week. There are two positions available in Glasgow and one in Greenock.

The department is responsible for providing professional legal advice and assistance on housing matters including mental health, community care, preventing homelessness, discrimination, welfare benefits and social security. The work will be extremely varied, and the role would be suited to candidates with a genuine interest in social justice.

The team is keen to hear from candidates between 1-3 years' PQE and will also consider early NQ 2024 qualifiers. The organisation is also open to re-training, should the individual have a strong interest in this area.

This is a great and rewarding opportunity to be part of a nationally recognised organisation and work with a diverse range of clients. If this position could be of interest, please do not hesitate to contact either Steph and Teddie for an initial and confidential discussion.
