Category: other-general

Batley – Hygiene Operative

Shift – Monday to Friday. 07:00 – 15:30.

Who are we?

We are FBC UK, Fox's Burton's Companies!-And we bake the UK's most incredible biscuits (we might be slightly biased, but we will leave that for you to judge).

FBC UK was a match made in heaven, with two of the top UK biscuits manufacturers (Burton's Biscuits and Fox's Biscuits) coming together to create one unique, integrated company.

We are home to famous iconic brands, including Maryland, Fox's, Jammie Dodger & Rocky, to name just a few. We bake our incredible biscuits at eight bakeries across the UK, located at Ilse of Arran, Livingston, Blackpool, Llantarnam, Edinburgh, Kirkham, Batley & Dorset. We also have offices for our supporting services in St Albans, Liverpool and Moreton. Together, we employ circa 4,000 amazing employees across all our locations.

We are currently the second biscuit manufacturer in the UK market with a strong ambition of becoming the number two biscuit manufacturer worldwide.

We are proud to be part of the Ferrero enlarged family: such a fantastic and successful business. The Ferrero Group operates in more than 50 countries, with products sold in over 170 countries, represented by almost 38.000 employees worldwide, and a consolidated turnover of €12.7 billion (2020-21).

Along with our fantastic brand portfolio, we also have long-term agreements to manufacture several sweet & savoury snacks across Mars, Jacobs, and LU branded products. In

addition, we are proud to be a strategic partner for many retailer-branded products.

Our employees make our business special. With strong family values, we believe FBC UK is a more prosperous and fun place to work with when people feel free to be themselves.

We believe in the power of being authentic, entrepreneurial, and supporting each whilst meeting our business goals.

And don't forget... work hard but play harder!

What does your typical day look like?

The role of a Hygiene operative is to ensure the factory standards are maintained. You will be given the relevant training and be multi skilled on many aspects of the Hygiene roles onsite.

As part of your role you must:

- Adhere to all company policies and procedures
- Follow Food Safety Procedures and adhere to safe working practices
- Escalate any problems with machinery where necessary

Skills and Knowledge required:

- Awareness and knowledge of Food Safety, Technical and Health & Safety policies and procedures
- Ability to work on your own initiative
- Good communication and interpersonal skills
- Knowledge of cleaning machinery
- Excellent time keeping

If you are ready to begin a career with real bite, we would love to hear from you
