[Apply Now](#)

Company: Concept Recruitment Group

Location: Featherstone

Category: other-general

Our award winning client has fantastic opportunities for Hygiene Operatives/Cleaners to join their busy factory in Featherstone.

Our client is a well established leader in the logistics market and is recruiting for Line Leaders on a temp to perm basis. Hours of work are 6am-2pm/2pm-10pm rotating weekly – These hours are negotiable

The role is Monday to Friday- it may require you to work weekends when deep cleaning or equipment and production areas are needed.

### **JOB PURPOSE/PROFILE**

To ensure that all Company and Customer hygiene standard requirements located internally & externally of the building meet strict standards of hygiene at all times for food safety, quality and legality whilst adhering to the companies systems, policies and procedures

### **KEY ACCOUNTABILITIES**

To complete scheduled and unscheduled cleaning requirements to Company's standard

Maintain a high standard of tidiness and cleanliness in all departments of the site. These areas include staff facilities e.g. toilets and canteen, offices, production and warehouse departments

Undertaking such other duties as may be required from time to time, that reasonably fall within the scope and grade of the post

Be aware of company standards, expectations

Promote clean as you go and work to these standards daily

Ensure that the site maintains a 95% score on all internal audits

To maintain daily cleaning sign off records if required for your department, ensuring correct and accurate completion

To complete all hygiene operations in accordance with H&S (including COSHH), product safety, legality and quality requirements

To work in a manner that promotes due care for yourself and work colleagues

Ensure that all risk assessments and safe systems of work are adhered to at all times

Ensure correct manual handling techniques are followed at all times

Ensure that all Personal Protective Equipment (PPE) is worn / used at all times and all defects are reported to the duty management team

Ensure that all cleaning equipment is fit for purpose, stored in the correct place and any missing and defective equipment is removed and reported to the duty management team

Ensure that clear communication between shifts, on hygiene issues are relayed to co-workers and duty management team

To ensure a proactive approach is made towards hygiene requirements via inter departmental communication, self-auditing and striving to be multi-skilled

Applicants must have previous experience of working in a similar role and have the drive and ambition to achieve results. Previous experience would ideally be from within a food production environment.

Concept Recruitment is acting as an Employment Business in relation to this advert.
