Location: United Kingdom

Category: healthcare-practitioners-and-technical

Calling All ICU Nurses!

Our client in Dumfries and Galloway are looking for experienced ICU nurses to join their team.

We are looking for experienced ICU Nurses who are passionate about providing exceptional patient care. The ideal nurse should have an ICU background and have a positive attitude.

The client is an established healthcare provider with a strong reputation for quality and excellent patient care. We are seeking reliable and hardworking individuals who can work well independently as well as part of a team.

Key accountabilities and responsibilities:

Provide exceptional care to patients in line with current professional practice

Carry out physical assessments and implement care plans

Monitor the health and wellbeing of patients and communicate any changes to the medical team

Contribute to the promotion of health education and prevention initiatives

Maintain accurate patient records

Candidate Requirements:

Chronic and/or acute nursing experience in a general medical setting

A valid NMC registration with no restrictions

The ability to use initiative and work independently in a fast-paced environment

Excellent communication and organizational skills

High level of professionalism

Strong team-working abilities

What We Offer

Dedicated bookings consultant

Excellent rates of pay including holiday pay

Simple registration process

Uniform and name badge provided

Refer a friend scheme (£250 per nurse!)
