

**In House Clinician (part time, homebased)**

[Apply Now](#)

Company: BSI

Location: United Kingdom

Category: other-general

Great that you're thinking about a career with BSI!

**Job Title: In-House Clinician**

**Reports to: Clinical Oversight**

**Location: Homebased - UK, Netherlands or Spain, France, Italy or Germany**

**Would you like to be an integral part of ensuring patient safety across the European Union?**

We currently have an exciting opportunity in our Medical Device Notified Body to join our existing team of Internal Clinicians.

Internal Clinicians for UK Notified Bodies must be in current clinical practise, and therefore this role is offered part-time, ideally for 2.5 days per week. This is a home based role in either the UK or Netherlands, or alternatively Spain, France, Germany or Italy.

**Specifically for this role, we are looking for either an Orthopaedic Consultant who has specialised in shoulder and upper limb surgery . Your current clinical practice must involve a minimum of 50% upper limb surgery. A minimum of five years consultant experience would be preferred .**

**Within this role you will:**

Contribute essential clinical expertise within your medical specialism to medical device conformity assessments. This includes input into evaluations of:

equivalence rationales and risk assessments

appropriateness of clinical claims, indications and contraindications for use, and user information and warnings

adequacy of endpoints, follow-up and clinical evaluation data

adequacy of post market clinical follow up provision and follow up

Mentor BSI technical staff and external clinical experts, to ensure consistency and rigour in clinical data reviews

Help to develop internal “best practise” guides for clinical evaluation and data requirements within your specialism

Provide internal and external training in areas of expertise

**Key responsibilities of this role are to:**

Develop and maintain an understanding of the regulation of medical devices in the EU, and the position on clinical reviews within it

Be part of a team undertaking clinical oversight of all clinical evaluation assessments within the Notified Body

Liaise with subcontracted clinical expertise, and manufacturers’ clinical directors if necessary, to ensure any clinical concerns are adequately addressed

Develop clinical best practise guides and ensure consistency of clinical review for all clinical data reviews being undertaken by BSI

Provide clinical expertise to clinical evaluations of medical devices in area of clinical competence

Deliver all services within required timescales and to a high quality

Maintain client satisfaction whilst continuing to meet BSI’s ethical expectations

Maintain competence in area of clinical expertise by practising as a clinician in line with MHRA expectation

**About BSI:**

**Do you believe the world deserves excellence?**

BSI (British Standards Institution) has over 81,000 clients in 180 countries, and is an organization whose standards inspire excellence across the globe. BSI Medical Devices

Notified Body provides rigorous CE and ISO 13485 certification to manufacturers globally. The team apply their knowledge to 3rd party conformity assessment of all types of medical device; active devices, active implantable devices, in vitro diagnostic devices, orthopaedic and dental devices, vascular devices, wound care devices and many others. The team has doubled in size over the past eight years, demonstrating the company's desire to succeed and deliver world beating results. There is exciting opportunities for further growth of the Medical Devices team.

### **What we offer;**

This role offers a competitive and reasonable package, and a wide range of flexible benefits that you can tailor to suit your life-style.

#LI-HOMEBASED

#LI-BH

Our Excellence Behaviours: Client-centric, Agile, Collaborative. These three behaviours represent how we do things at BSI. They help us ensure that BSI is a great place to work and a highly successful business.

BSI is conducting face-to-face interviews where appropriate and possible. If you are invited to a face-to-face interview but feel more comfortable with conducting the interview virtually, please speak to a member of our recruitment team.
