Overview of role:

A number of opportunities have arisen in our field team in various locations across the UK.

Being part of our field team provides an opportunity to work truly flexibly, within the selected locations and hours below. The team undertake various different types of work, but you will need to be comfortable using a hand-held scanning device to collect data from stores.

This role provides an important role within Circana by supporting the collection of promotional activity, this is done by the field team collecting data at the same time across the country from designated stores. This is in addition to visiting stores to complete availability checks in supermarkets.

Key Skills and Requirements:

Close attention to detail and accuracy with the ability to be flexible.

Weekend and evening work is sometimes required, but very occasionally.

You must have a vehicle that is insured to cover business usage and internet access to submit collections via wifi and a smart phone to access our pay portal and expenses.

Upon applying, please ensure you quote the Area, Postcode and Town of the role you are applying for;
