Solicitor / Litigation Executive / Fee Earner – Industrial Disease – Assistant to Partner – 12 month FTC

Industrial Disease / Occupational Health Fee Earner – Greater Manchester

Industrial Disease Fee Earner – A Partner specialising in complex long and short-tail industrial disease work is looking for a bright Paralegal, Litigation Executive, Legal Executive or Solicitor to join the department on a 12-month Fixed term contract to assist on a range of matters. Previous industrial disease experience would be ideal, but is not necessary. Because of the fact this is an FTC, the Partner will look broadly.

Summary

Partner with caseload of complex industrial disease matters

This is at its essence an assisting role to enable the Partner to progress their caseload more effectively. Responsibilities will include:

Ideally you should have some experience of handling industrial disease matters and / or personal injury cases. However, as this is a fixed term contract, this is not strictly necessary.

If you feel you have the requisite skills and are looking for a 12-month fixed term contract, please do not hesitate to apply for more information.
