

Industrial Electrician

[Apply Now](#)

Company: M Group Services

Location: United Kingdom

Category: other-general

About The Role

Industrial Electrician

London and South East Area

Up to £44,000 per annum

We are looking for an Industrial Electrician to work alongside our ATEX and Electrical Services Teams, predominately within the water industry, but also in the energy and manufacturing industries.

You will be carrying out electrical installations, maintenance of electrical systems, attending to any reactive/correct maintenance, fault finding, completing repairs/replacements and commissioning, all in accordance with BS7671: 18th Edition - whilst ensuring a high level of customer satisfaction.

You will be working alongside our established team of experts, which means you will receive a wide range of industry help and support.

Previous experience of ATEX zones and hazardous areas is not essential but would be an advantage.

You will need to have (essential):

NVQ Level 3 (Maintenance or Installation)

18th Edition Electrical Wiring Regs

Industrial experience

Valid UK driving license

Advantageous:

2391 or 2394/95 Test and Inspection qualification and experience

Hazardous Area/ATEX awareness

Why choose Z-Tech?

We are a highly skilled mobile workforce delivering Electrical, Control and Instrumentation (EC&I) Services to our customers in water, energy and rail taking a dynamic approach to our work and problems/solutions so you will be defined by your enthusiasm to go further as we actively embrace individuality.

What's in it for you?

Company van and fuel card

25 days' annual leave plus 8 days' bank holiday

Pension scheme

Life Assurance

Access to our Employee Assistance Programme

Cycle to work scheme

Refer a friend scheme
