Company: MASS

Location: Neston

Category: computer-and-mathematical

Information Assurance Manager - Corsham

\* Salary £50,000 to £60,000 per annum

\* Onsite working

Are you an experienced Information Assurance Manager looking for a new challenge? Do you have experience of providing security governance leadership and guidance in a Defence environment? If so, we have a new vacancy in our Corsham office.

We're expecting that you'll be looking for a business where you will be respected as an expert in your field, where you can be recognised for all the effort you put into getting things done, and where you can see the difference, you're making.

We'll look no further – we've been expecting you!

How your experience will be utilised

This is an exciting opportunity to be part of a team where you will have the opportunity to utilise your existing skills and get involved in multiple complex projects across the company. You will be expected to take a leadership role in a multi-disciplined team and provide security subject matter expertise on a complex and mission-critical UK defence programme.

The invaluable experience you'll bring, to help us achieve more

We're expecting that you've done this role before, so you'll know how to do it whilst spinning multiple plates:

You should, as a minimum, be CE and/or CE+ Assessor qualified, hold relevant CCP certification for 3+ years' and be familiar with ISO27001 standards. You will have 5+ years'

experience of working in the information assurance domain and within a Defence domain would be desirable. We are looking for someone with a good level of experience providing consultancy-like expertise within a demanding customer environment.

Our non-negotiables:

- \* You must be eligible to work and live in the UK
- \* Due to the highly secure nature of the projects, you'll be working on, you must be willing to undergo and maintain appropriate UK government SC security clearance

Who are MASS?

We help our customers realise the value of their data. We're an ambitious technology company with a strong history in defence and we specialise in working in highly secure environments (hence the Security requirements!).

MASS are an equal opportunities employer; we know that our people are smart, skilled and motivated and in return we provide a friendly workplace where everyone is valued and has the chance to make an impact.

Apply today to see how working for MASS could work for you!
