Modern Workplace Platform Consultant - Remote - £60,000 per annum (pro rata - 6 month FTC) Skills: Exchange 2016, 2019 and Exchange Online, EUC End User Computing, Modern Workplace Consultant, Workplace Applications Enterprise Mobility Architecture Architect Intune SCCM Azure AD, Sharepoint and M365. Company: Due to continuous growth, my fantastic client who is a well-known management consultancy, is seeking a Modern Workplace Platform Consultant, 365 Design Engineer to join them on a Fixed-Term Contact basis (with potential for turning permanent). This is an exciting time to join as the organisation is currently undergoing a large workplace roll out and migration programme. Role: Reporting to the Head of Consultancy, you will be responsible for the design, development and roadmap of the technology the organisation uses, such as the Microsoft 365 suite including Exchange-Online, Microsoft Teams, OneDrive for Business, Windows 10, Windows 11, Endpoint and Intune. You will play a pivotal role as the firm undergo a digital transformation to work in a more mobile way and be a champion of the cloud strategy. You will be responsible for setting the standards, patterns and principles that apply to all of the technology in the firm's EUC portfolio either on-premise or cloud hosted and define what the future state of the digital workplace looks like. The following are essential: A minimum of 5 years' experience as an 365 consultant with excellent Microsoft Azure knowledge and Sharepoint Demonstrable experience in Tenant to Tenant migration and Exchange online to Intune via co-management Good understanding of security & compliance records such as DMARC/DKIM/SPF. Au fait with messaging protocols used within the messaging platform, such as Autodiscover, DNS etc Technical competence of MFA and SSO technologies Working

knowledge of data retention practices such as Microsoft Purview
Strong knowledge with productivity & collaboration tools such as Microsoft Office suite including: Outlook, Teams, Viva, Forms.
Working knowledge of PowerAutomate/Power BI
Strong knowledge of Enterprise Social Media such as Microsoft Viva, Meta Workplace etc
Enterprise Mobility, particularly mobile phones – Intune MDM/MAM
Experience in Windows 10 / Windows 11 roll out and deployment
Experience in Active Directory, Azure AD
Experience in Microsoft 365 including MS Teams
Excellent communication skills with the ability to influence and steer stakeholders
If you believe you have the right skill-set and attributes for this role, then please apply today!
