

Injection Moulding Setter

[Apply Now](#)

Company: Martin Anthony

Location: Manchester

Category: other-general

Job Title: Injection Moulding Setter - Perm Night shifts

Salary: Negotiable dependant upon skill and experience

Location: Greater Manchester, Cheshire, Lancashire, Warrington

Shift: 10pm - 6am: Monday - Friday

Specialist recruitment agency Martin Anthony Recruitment has been assigned exclusively by a well-established and successful manufacturing business that is currently seeking a Setter with Plastic Injection Moulding experience to join their team. The business is undergoing expansion due to increased sales and has clear objectives for continued growth over the next 3 – 5 years and beyond. Added to this the business prides itself on its positive culture and strong values that they work to.

The Job:

- * To undertake production changes and tool changes.
- * Troubleshooting and process optimisations.
- * To ensure that machines are operated to an acceptable standard and within the set target and cycle times.
- * Deliver against agreed manufacturing targets.
- * Operate in a safe and organised manner.

The Person:

- * You will have excellent knowledge and experience in injection moulding processes and related materials and equipment.
- * You will be well organised, able to deal with numbers and standards.

* Be a positive person with the ability to support and encourage others.

This is an excellent opportunity to join a well-established and successful business that has a fantastic working culture.

To apply, please email a copy of your most up-to-date CV to Martin Antony Recruitment or call our team for more details.

Please note – Martin Antony Recruitment are currently experiencing large volumes of applications, so if you do not hear from us within 2 weeks, then unfortunately your application has been unsuccessful on this occasion.
