Due to continued growth, a global plastics manufacturing company is seeking an Injection Moulding Setter to join their Team.

Working within a modern moulding facility your role will be responsible for ensuring continued production whilst improving processes which result in time and cost savings.

**As Injection Moulding Setter your duties will include:**

Carrying out tool changes and setting machines

Documenting of production data

Participating in problem solving actions

Identifying where cycle times can be improved

**To be successful in the role of Injection Moulding Setter, the ideal candidate will:**

Be an experienced plastic injection Moulding Setter or Technician.

Have experience of changing tools and setting moulding machinery

Know how to troubleshoot common moulding faults/issues.

**Click on the Apply button to find out more or to be considered for this role!**

ASC Connections Ltd acts as an employment business for temporary positions and an employment agency for permanent positions. We are committed to equal opportunity and diversity.
