Engineering, Manufacturing, and Technology

Contact Name:

Mathew Ram-Gopal

Contact Email:

Contact Phone:

01527 60070

Date Published:

01-Mar-2024

A trade moulding company with a history spanning over 30 years has recently been acquired by new owners. With big plans for the next 12 months, they are seeking an experienced Injection Moulding Technician to help them realise their goals.

Working within a small but busy mouldshop, you will assist in the smooth running of production, and as the business grows you will be part of a team responsible for installation and set up of new machinery and trialling of new tools coming into the business.

\*\*\*Days Monday to Thursday, £33000-£36000\*\*\*

### **As an Injection Moulding Technician your duties will include:**

Tool changing and condition setting.

Ensuring that quality of moulded products meets specification.

Operating of machinery.

Basic maintenance.

### **To be successful in the role of Injection Moulding Technician, the ideal candidate:**

Will have a solid background in plastic injection moulding, with experience of tool changing and setting moulding machines.

Have a good understanding of how to resolve moulding issues/faults.

With many improvements and changes upcoming for the business, they are looking for someone to help them on their journey and shape the business going forward.

**If you feel that this is a role you could fulfil please click on the Apply link to find out more or to submit an application!**

ASC Connections Ltd acts as an employment business for temporary positions and an employment agency for permanent positions. We are committed to equal opportunity and diversity.
