A specialist manufacturer of plastic products sold globally is currently looking to hire an Injection Moulding Setter Technician due to continued growth.

The role will be responsible for overseeing the shift, keeping machines running, and ensuring scrap is kept to a minimum.

*****£34,000-£42,000, Monday-Thursday Nights, flexible start and finish times*****

As Injection Moulding Setter Technician your duties will include -

Setting machines and carrying out tool changes

Troubleshooting and resolving process issues

Ensuring produced moulding meet quality specifications

To be successful in the role of Injection Moulding Setter Technician, the ideal candidate will -

Have a solid background in plastic injection moulding

Be capable of setting machines

Be confident in trouble shooting processing issues without compromising quality

Have held the same job title, or similar such as Process Technician or Toolsetter

Apply now to start your application!

Based near Ferndown, this role is easily commutable from Southampton, Salisbury, Andover, Winchester, and Blandford.

ASC Connections Ltd acts as an employment business for temporary positions and an employment agency for permanent positions. We are committed to equal opportunity and diversity.
