This company is expanding its Appointed Representative Self-Employed sales channel and is looking for experienced and enthusiastic Advisers to join their team.

Initial financial assistance may also be available to assist you while you are learning the ropes and building up your initial pipeline.

The ideal candidate for this role will have experience of working in a self-employed financial

If you are passionate about quality and delivering the highest levels of standard and service, this is the perfect role for you. You will be an ambassador for this company, acting as a champion and maintaining a positive and pro-active manner in carrying out all tasks.

This company is an award-winning, dynamic and vibrant financial services provider with a ground-breaking vision for the future. They are the UK insurer and investment provider that rewards people for positive lifestyle choices – a key element of their Shared-value model. With over 1.4m UK members and more than 25m globally, this company is out to make the world a healthier, happier place.

If you are resilient, tenacious, and continually aiming for improvement and achievement of results, this is the perfect role for you. Apply now to become a Self Employed Adviser and join this company's already successful team of Advisers.
