Apprenticeship Skills Coach/Trainer - Insurance

Remote

£36,000-£40,000 dependant on experience

Permanent Role Monday-Friday

24 days holiday + Bank Holiday

Pertemps Work Based Learning are currently working in partnership alongside a fantastic training provider who deliver apprenticeship programmes within Financial and Insurance Services. They are rated as 'Good' by Ofsted, and due to a period of growth they are now looking to bring on an Insurance Skills Coach/Trainer. The trainer will work directly with learners in order to guide them towards End Point Assessment. The role is purely remote, so all engagement with learners will be via Teams.

Duties and Responsibilities of the Apprenticeship Trainer

Supporting learners undertaking Apprenticeship Qualifications within Insurance (Levels 3 & 4)

Delivery of qualifications in a classroom setting and on a 1 to 1 basis

Providing information and guidance to the learner and employer

Understand learning styles and adapt processes for each learner

Coach the learner through to the End Point Assessment

Working to specific quality and completion of targets

Helping with the enrolment of learners

Organise and maintain documentation on learners' progress

Visit and observe learners in their place of work to support and gather evidence

Skills, Experience and Qualifications Required for the Financial Service

Trainer/Skills Coach:

Experience working as a Coach, Mentor, Trainer or Team Leader

Hold Insurance Qualifications at Diploma level or above Dip Cii

Vocational competence within Financial Services

It would be highly desirable if the candidate holds the Assessor Qualification, A1, TAQA, CAVA

Experience and up to date knowledge with using remote communication platforms such as Microsoft Teams and Zoom

This position is available immediately. For more information, please contact the Pertemps Work-Based Learning and Skills Division on 0191 3000513
