Company: RED SAP Solutions

Location: United Kingdom

Category: business-and-financial-operations

***Integration Specialist - UK - Hybrid - Contract ***

For our international client, RED is currently looking for an Integration Specialist to start in a new project.

The consultant is expected to start as soon as possible and for an initial 9-month contract. The project is based in the UK and involves working remotely + 2/3 days on-site.

Desired skills:

Proven experience as an Integration Specialist or in a similar role.

Strong business analysis experience.

Previous BTP or CPI experience.

S4/Hana experience is desirable.

Fluent in English communication
