Interim Global Procurement Lead CAPEX £600pd

Role Global Procurement Leader- CAPEX

Rate £600 per day (Umbrella, Inside IR35)

Client Major, FTSE 100 Pharmaceuticals organisation.

Duration To end of August 2024

Location County Durham - HYBRID working

An exciting opportunity for an experienced Category Leader to get stuck in with high-value, complex CAPEX projects, across this FTSE 100 Pharmaceuticals organisation's entire portfolio of UK Engineering and Manufacturing sites.

You'll partner with key, senior stakeholders in the business to build robust relationships and secure buy-in. This is a blended hands-on sourcing and strategic role, where you will support and propose strategy.

Requirements:

Strong experience in Construction / Engineering CAPEX Procurement.

Experience procuring Professional Services and Trade packages.

Experience with UK Contract Templates (e.g. NEC / FIDIC / JCT) and strong knowledge of contract law. Any knowledge of US CMAR would be advantageous.

Demonstrable experience of EPC / EPCm.

Commercial and personal gravitas enabling effective stakeholder management and engagement.

This is an urgent need - please apply asap or email claire.shipman@1st-executive.com.
