Interim Management Accountant

North Nottingham

6 months FTC

SF is currently working with an organisation based in North Nottingham who are looking to add an Interim Management Accountant to the team for a period of 6 months. This is a challenging opportunity for a self-starting, experienced and accountant who can hit the ground running.

Some of the key day to day responsibilities will include:

- Prepare Monthly Management Accounts
- Prepare budget and reports for various departments
- Support in board meetings
- Business partnering with other departments
- Balance sheet reconciliation

My client is looking for a Qualified Accountant (ACA, CIMA, ACCA) or someone that is qualified by experience.

Some of the other requirements include:

- Strong technical accounting skills and experience
- Demonstrated knowledge of financial and accounting concepts, techniques, and regulatory requirements
- Proven flexibility and ability to cope with pressure resulting from changing priorities and meeting tight deadlines and reporting requirements
- Must demonstrate an effective communication skill/style to present complex ideas in a compelling and comprehensive manner.
- Strong understanding of both financial and operational processes.

If you are looking for your next interim finance role please get in touch
