Midweight Interior Designers & FF&E Mid-level Designers This Specialist Design Studio is known for creating uniquely beautiful interiors for high-end luxury residential venues, boutique hotels and branded residential properties (luxury health clubs and golf resorts), and they currently have a few prestigious international projects in-flight. Fully embracing the hybrid working lifestyle, this studio employs an international team in the UK comprising of FF&E, CGI visualisation, Architectural Designers and Interior Designers working in a relaxed collaborative team environment on a wide portfolio of projects. Due to an increased pipeline of work including a high-end luxury residential villa resort in Saudi Arabia and 'hyper' high-end luxury residential projects across Europe and Africa, this client is looking for additional Midweight Interior Designers and FF&E Mid-Level Designers with proven experience of working within another Interior Design or Architectural practice to join on a contract basis, initially to the end of December. The successful Midweight Interior Designers and FF&E Mid-Level Designers will have previous experience of working on high-end luxury residential and/or hospitality projects, ideally on Red Sea Global, Middle Eastern, or other international projects. Alternatively a background in other hyper luxury residential projects will also be considered. We are looking for experienced Midweight Interior Designers and FF&E Mid-Level Designer skilled in AutoCAD or Vectorworks and Adobe Suite to cover all design stages. FF&E designers need additional experience within procurement coordination, processes and documentation etc. Please note that these positions are super urgent, therefore Midweight Interior Designers and FF&E Mid-Level Designers applying should be immediately available or able to start within 1-2 weeks. Hybrid working and full remote options

available working 4-5 days per week, full-time or part-time. £25 - £38 Per Hour LTD or PAYE
