Company: Flagship Consulting

Location: London

Category: construction-and-extraction

One of the regions largest construction Consultancies is actively recruiting an Intermediate Quantity Surveyor to be based in London.

THE COMPANY

The client is an independent, privately owned Consultancy with a network of offices across the UK. They have a great reputation in the market and are working on some regions largest developments. Projects can range from Public to Private within the Civils sector including Rail, Aviation and Utilities. Values currently range from £500k to £50 million so a fantastic range and size of projects.

THE POSITION

They are actively looking to recruit an Intermediate Quantity Surveyor to work alongside a team of experienced Chartered professionals and get involved in a range of projects from inception to completion. The successful Quantity Surveyor will be given the opportunity to take ownership of projects across a range of sectors which provides an excellent opportunity for someone who has perhaps become pigeonholed in one sector with a larger Consultancy.

THE CANDIDATE

The successful Quantity Surveyor must:

Have a degree in Quantity Surveying

Have 3+ years experience working in a Quantity Surveying role

Have good communication and client facing skills

Have a willingness to work towards their APC and become Chartered

WHY YOU SHOULD APPLY

Excellent company culture and flat management structure

Opportunity to work on some exciting projects across multiple sectors

Chance to be part of a growing, privately owned Consultancy

Excellent track record of progressing people through their APC
