Company: Flagship Consulting

Location: London

Category: construction-and-extraction

One of the regions' leading Construction Consultancies is looking to recruit an Intermediate Quantity Surveyor to be based in London.

THE COMPANY

The client is one of the leading Consultancies in the region. They have a proven track record of designing and delivering major development schemes across the UK, working on multiple projects within the Infrastructure sector, including Rail, Utilities, Aviation, Energy and Highways. They have an outstanding reputation and strong track record of developing their employees to Director level positions.

THE POSITION

They are actively looking to recruit an Intermediate Quantity Surveyor to work alongside a team of experienced Chartered professionals and get involved in a range of projects from inception to completion. The successful Quantity Surveyor will be given the opportunity to take ownership on a range of projects within the Infrastructure (Highways) sector. Value of projects can range from £1 - £20 million.

THE CANDIDATE

The successful Quantity Surveyor must:

Have a degree in Quantity Surveying

Have 3+ years experience working in a Quantity Surveying role

Have good communication and client facing skills

Have a willingness to work towards their APC and become Chartered

WHY YOU SHOULD APPLY

Excellent company culture and flat management structure

Opportunity to work on some exciting projects across multiple sectors

Chance to be part of a growing, privately owned Consultancy

Excellent track record of progressing people through their APC
