

Intermediate Quantity Surveyor

[Apply Now](#)

Company: Page Green

Location: St Paul's

Category: construction-and-extraction

Our Client is a medium sized Mechanical Building Services subcontractor who we know really well. They are long established and successful and specialise in fast track mechanical building services fitout on projects in the City of London and West End where they have a strong market presence.

They are looking for an intermediate Mechanical / Plumbing Quantity Surveyor to support their Senior Quantity Surveyor with the potential to move up within the business.

This role would suit a keen quantity surveyor with upwards of a year's mechanical quantity surveying experience since qualification, who is looking to work for an exciting, busy company with a very friendly feel where they can make their mark.

The role will involve working on site predominantly in Central London and at our clients office in Central London but with the flexibility to also work from home as your schedule dictates.

Our client has given us a fairly broad salary range dependant on experience. Please note they are specifically looking for a QS with Mechanical or Plumbing / Pipework related Building Services Experience.
