Job Title: Intermediate Quantity Surveyor

Position: Permanent

Location: Cambridgeshire

Salary: £55,000k - £70,000k + Benefits. DOE

Immediate Start

I am currently looking for a Intermediate Quantity Surveyor to join our client, who are a exciting Construction Company with big ambitions and huge amount of possibilities. They deliver enviable spaces, seamlessly from the transformation of hybrid offices fit for the future of work to the construction of new environments and to the restoration of beloved theatres in states of transition. Their projects are driven to the highest standard because of their commitment to clients.

You will be joining the team at the early stages of the project which is based in Cambridgeshire. Specific objective will be to oversee the procurement package, working closely with team and reporting into the Senior Lead Project FM.

Its a new build circa £24m, design and construction of a new laboratory building. There is demolition of an existing unit, new build shell & core labs with fit out of café and cycle centre in an existing unit, finished off with external works including car parking and soft landscaping.

Having that Main Contractor background, would be very appealing to my client.

Essential Skills & Experience:

- Experienced in the construction industry, new builds, commercial, fitout and labs projects would be a preference.

- Main Contracting background.
- Works well within a team environment.
- Strong work ethic.
- Excellent understanding of experience in new builds.
- JCT Design & Build.
- Able to meet deadlines.
- Committed and hard working.
- Willing to learn and ask questions.
- Proactive problem solver.
- Seek continuous improvement.
- Strong diary management skills.
- IT literate in word and all necessary software systems.
- Commercially aware and astute to maximise focus on winning.

This is a fantastic opportunity for an Intermediate Quantity Surveyor who is looking to progress and grow in their career.

Give me a call or feel free to send me an up to date CV and we can run through it together.

Thank you
