

Intermediate Revit Technician

[Apply Now](#)

Company: Minerva Appointments

Location: Leeds

Category: other-general

Company:

An award winning partnership for the 21st Century with 100 years of experience and innovation. In recent years the firm has been responsible for modern commercial, educational, housing and leisure related structures in the UK and overseas. Many of these facilities have included the latest technology in design and construction techniques.

Job Description:

Due to a heavy workload my Client are looking to appoint a Structural Revit Technician to join an established office in Leeds.

You will be required to provide structural drawings in all common materials; Steel, Masonry, Timber and Concrete in AutoCAD and Revit software packages.

You will liaise with other members of the design team in order to complete projects on time and within budget.

Assist with the development of BIM implementation.

Person Specification:

You will be HNC/HND qualified within the Civil / Structural Engineering sector.

You will possess a minimum of 3/4 years experience within a Consultancy.

RC Detailing experience is essential.

Strong AutoCAD & Revit software skills are essential along with communication both in written and verbal form.

Minerva Appointments is committed to equality in the marketplace and acts as both an employment agency and employment business.

Location: Leeds, West Yorkshire

Employment Type: Permanent

Salary: £30,000 - £37,000 depending on experience

Minerva Managing Consultant: Marcus Lee
