

Intermediate/ Senior Quantity Surveyor

[Apply Now](#)

Company: Flagship Consulting

Location: Bristol

Category: construction-and-extraction

One of the UK's largest construction Consultancies is actively looking to recruit an Intermediate/ Senior Quantity Surveyor to be based in Bristol.

THE COMPANY

The client is a leading construction Consultancy with a strong pipeline of projects across a number of sectors. With a strong presence within Civils and Infrastructure they are working on a large number of projects across Rail, Highways and Utilities. Being a key member of a number of frameworks this provides the business with long term security which is particular important given the current climate.

THE POSITION

On the back of a strong pipeline of work and to fulfil their strategic growth plans they are now looking to recruit an Intermediate/ Senior Quantity Surveyor to be based from Bristol. As the clients and region develop further the Quantity Surveyor will also be given the opportunity to grow and manage a team.

THE CANDIDATE

The successful Quantity Surveyor must:

Have a relevant degree and ideally be a full member of the RICS

Ideally have experience working on the PQS / Consultancy side of the industry

Have at least 2 years industry experience

Have the ability and experience to be able to expand and grow business

Have good communication and client facing skills

Have strong NEC contract experience

WHY YOU SHOULD APPLY

Job security within a secure sector

Opportunity to progress within a dynamic and expanding Consultancy

Fantastic business with a track record of promoting from within

Leading Consultancy with a great reputation with clients

Fantastic company culture and senior management
