Internship - Credit Research - London

[Apply Now](#)

Company: Tikehau Capital

Location: United Kingdom

Category: other-general

Responsibilities:The loan research team, based in London, is responsible for performing the credit analysis of investment opportunities across the European Broadly Syndicated Leveraged Loan universe (both in primary and secondary markets), presenting these ideas to Credit Committees and Portfolio Managers, monitoring existing issuers, as well as also providing relative value recommendations. The team works closely with the Portfolio Managers. As an Intern within the team, you will be involved in:

- Sector, strategic and financial analysis of issuers within the European Broadly Syndicated Leveraged Loan universe;
- Monitoring and analysis of monthly/quarterly results of portfolio companies;
- Modelling the performance of issuers to assess their credit worthiness;
- Participation in issuer's roadshows and investors conferences;
- Participation in Research and Portfolio Management meetings.
