Bramwith Consulting

IT Procurement Specialist

Technology Procurement Buyer - £45-50K - London - Leading Law Firm - Flexible Working

Join an elite Global Procurement team at a prestigious law firm in London, where you'll play a pivotal role as a Technology Procurement Buyer. This is your chance to drive strategic value, shape innovative procurement solutions, and leave a lasting impact on the organisation.

Key Responsibilities:

Lead high-impact procurement projects, shaping strategic decisions within IT categories, including exploration of emerging technologies like AI.

Forge and nurture strong relationships with stakeholders and suppliers, ensuring seamless service delivery.

Take ownership of critical categories/projects, evaluating contract risks and ensuring compliance.

Drive continuous improvement initiatives, enhancing supplier performance and operational efficiency.

Collaborate closely with service areas, championing M&A integration efforts and fostering innovation.

Why Apply:

Join a highly successful Global Procurement team, contributing to its ongoing achievements.

Thrive in a dynamic, forward-thinking environment, where innovation is encouraged and rewarded.

Leverage your expertise in Indirect Procurement within the dynamic Technology category.

Cultivate lasting relationships with key stakeholders and support seamless M&A integration.

Drive tangible impacts through strategic procurement projects and decision-making processes, including exploration of AI solutions.

Collaborate closely with the IT team to ensure compliance and optimize contract management practices.

Experience Required:

Demonstrated experience in Indirect Procurement, with a focus on Technology sub-categories such as Software, Telecoms, and IT Professional Services.

Strong track record in end-to-end procurement and supplier management, including RFx processes, market analysis, and oversight.

Exceptional communication skills, coupled with the ability to build strong relationships and influence stakeholders.

Proficiency in procurement systems and tools, complemented by strong analytical capabilities.

CIPS qualification or progress towards it is desirable, along with a Bachelor's Degree or equivalent.

Take the next step in your procurement career and seize this exceptional opportunity to drive strategic value and innovation. Send your CV to to apply today!
