Company: Project Management

Location: London

Category: computer-and-mathematical

Job Title: Project Manager

Company: Global Retail Client

Location: London - Hybrid

Contract Length: 12 months

Start Date: April

Project Overview:

Computer Futures are looking for an experienced Interim Project Manager on behalf of our global retail client. This exciting opportunity involves leading projects focused on integrating SaaS platforms on a global scale. As the successful candidate, you will play a pivotal role in driving the successful delivery of these initiatives.

Key Responsibilities:

Lead and manage global projects focused on integrating SaaS platforms within the retail sector.

Collaborate with cross-functional teams to ensure project objectives are met within scope, budget, and timeline.

Provide leadership and direction to project team members, fostering a collaborative and high-performing environment.

Communicate project status, risks, and issues effectively to stakeholders at all levels.

Requirements:

Minimum 5 years of experience in project management, with a proven track record of successfully leading global projects.

Strong expertise in integrating SaaS platforms within the retail industry is highly preferred.

Excellent communication, leadership, and stakeholder management skills.

Ability to thrive in a fast-paced, dynamic environment and adapt to changing priorities.

PMP or Prince2 certification is advantageous.

Contract Details:

Contract Length: 12 months

Day Rate Negotiable - dependent on level of SaaS expertise

IR35 Status Outside IR35

If the above role sounds of interest to you, please apply!
