

IWI Installer Team

[Apply Now](#)

Company: Zenith People

Location: Nationwide

Category: construction-and-extraction

Our client based in County Durham are looking for an established IWI Installer Team to work in various locations across the UK. This is an exciting opportunity to work for one of the UK's leading renewable energy suppliers on a subcontract basis.

Job description:

- * Work as part of a team installing Cavity/loft insulation, internal wall insulation and room in roof into domestic properties.
- * Measure and cut insulation materials to fit specific areas.
- * Seal gaps and cracks with insulation materials.
- * Apply insulation materials using various techniques such as stapling, taping, or gluing.
- * Complete all relevant paperwork correctly.
- * Strictly adhere to all Health & Safety procedures
- * Work is located mainly in the North East and North West, however the team MUST be willing to travel and stay away when required.

Person specification:

- * Must have joinery or plastering experience and ideally be multi skilled.
- * NVQ in IWI/RIR is essential.
- * Must have a full UK Driving License.
- * You will need to have good manual dexterity as you will be required to work outside, work at height and in confined spaces.
- * Previous experience as an insulator or in a related field is essential.
- * Knowledge of different types of insulation materials and their applications.

* Ability to read and interpret blueprints or specifications.

Benefits:

* Working away allowance.

* Accommodation will be provided
