£32,000 Basic + Bonus + Exceptional Benefits Package.

My client is recruiting personality and attitude. This is an incredible opportunity for an ambitious graduate or an individual with at least six months sales experience who wants to progress to National Accounts.

Recognised as one of the strongest global Manufacturing Consumer Goods Brands, this company are enjoying phenomenal growth and is looking to recruit an Account Manager. This person will manage the UK's largest retail channels, including supermarkets, houseware, specialist retail, and Amazon.

No experience is required as you will receive excellent training and will be mentored and supported from day one.

I believe this is one of the most impressive, forward-thinking organisations I have worked with. Their culture is dynamic, inclusive, and people-focused. The strength of the brand is exceptional, and its growth is incredible. Therefore, my client will only recruit the very best talent. Talent might be a proven track record or an individual that offers enormous potential.

In return, you will be offered a fabulous working environment and genuine career opportunities. You will enjoy a great culture and will work alongside some incredible people. This company provide an exceptional benefits package, including pension, healthcare, generous holidays and career opportunities.
