Company: Pertemps TM

Location: Gloucester

Category: other-general

## Architectural Technician or Assistant - £25-32k – Gloucester

**Please contact Sophie Randle for more information on this role.**

Opportunity for a talented Architectural Technician to work for a well-established consultancy that covers a wide range of sectors including Housing, Commercial and Education.

The design led consultancy is ideally looking for an Architectural Technician or Architectural Assistant with good technical skills at a junior level, they will assist and train to help the right candidate grow within the practice.

The Role:

- Producing working drawing packages
- Liaising with consultants and clients
- Lead and manage technical design projects.
- Attending site meetings
- Measured surveys and site inspections
- Excellent communication skills and work well in a team and independently.
- Technical ability and capability to take full responsibility for own workload.
- Relevant Architectural qualification

Offering excellent benefits, training, support and mentorship, this is a great opportunity to join a consultancy to start your architectural career.
