Junior CAD Designer

BARNSELEY

Please call Halo Personnel to discuss salary and bonus information and to receive guidance throughout the application process

Hours of work:

Monday – Thursday: 08:30 – 17:00 (45 minutes lunch)

Friday: 08:30 – 16:00 (1 hour lunch)

You must live in a commutable distance of Barnsley to be considered for this position as it is office based.

In order to fulfil the role of Junior CAD Designer you must be a graduate from Product Development, Interior Design or Interior Architecture course but you do not need to have any work-experience for this role as it is an entry-level position; a full induction training programme has been designed specifically for you to gain an understanding of the CAD software and products. This opportunity provides individuals with excellent prospects to progress as a

Designer within the business. A University leaver or someone with just a small amount of experience would fit into this Junior CAD Designer position perfectly (also known as a Design Planner).

Our client is the leading supplier of fitted Kitchen and Bedroom furniture in the UK, for new build homes, holding 50% of the market share. They supply major housebuilders such as Barratt and Taylor Wimpey, as well as private property developers of inner-city high-rise projects and social housing providers, where a diverse product range and outstanding service sets our client apart. With unsuppressed growth over the last 50 years and also their investment in the largest field-based team in the industry, along with outstanding manufacturing capabilities, delivery process and after-sales service, they have built strong long-term relationships with their customers and have an excellent reputation.

As a Junior CAD Designer your key responsibilities will include:

- * The vast majority of your time will be spent producing new or amended layouts using Fusion 20:20 Software
- * Answering the telephone, dealing with internal and external customers
- * Liaising with other members of the department, your Team Leader and your Manager
- * Keeping up to date with new procedures and products

You must be:

- * Able to communicate confidently with people at all levels
- * Self-motivated and willing to work as part of a dynamic team
- * Able to working under pressure to maintain deadlines
- * Computer literate

You will also have:

- * Excellent organisational and written and numerical skills
- * Excellent timekeeping and time management skills
- * A degree from a Product Development, Interior Design or Interior Architecture course

Additional Info:

- * Flexible working hours after 3 months service
- * 30 days holiday per year including statutory days increasing to 33 days after 6 years continuous employment with one extra day for each year of service
- * Free parking
- * On-site canteen area and kitchen facilities
- * Contributory Pension after 3 months
- * Staff discount on furniture
