

Junior NPD Manager

[Apply Now](#)

Company: D R Newitt

Location: United Kingdom

Category: other-general

Job Description

A fantastic opportunity for a passionate foodie to join an industry leading food manufacturer as NPD Manager. Based in North West. £40-45k

The business are hugely successful, and for the next five years have some impressive investment and growth planned.

The role is focused on innovation of brilliant products, as well as real coaching, mentorship and development of the team to ensure their positive and engaged culture continues to flourish.

You will be customer facing with all the major retailers.

This is the perfect role for a Senior NPD Technologist who's ready for that step up, or an NPD Manager who wants to join a fast-paced, innovative business where they can really invest in their team.

Please apply here ASAP for more info!
