Details

Junior Product Developer – Overview

A well-known retailer is looking for a Junior Product Developer to join their dynamic team, on a 12 month maternity contract.

The Junior Product Developer will assist and support the Product Developer and Senior Product Developer in developing ranges across menswear and ladieswear.

Junior Product Developer Responsibilities

Creating detailed tech packs and sending these out to factories overseas

Making fit comments, and interpreting fit session notes

Monitoring and updating the critical path

Managing samples

Assisting with costing ranges

Additional Information

The Junior Product Developer must have some previous experience in a similar role, with a passion for product and excellent communication and organizational skills. Knowledge of Microsoft office is essential.
