EG Group recruiting on behalf of Clokken Brands.

At KFC, everyone gets a seat at our table. We feed our people's potential – to be their best selves, make a difference and have fun. Join us, and together, we can be part of something truly extraordinary.

Bringing it to the role:

We're not looking for years of experience – just real people who are up for getting stuck in, delivering a great experience for our customers, and being part of our awesome team.

Don't worry about the rest, we'll teach you everything you need to know.

As a Team Member, you will:

Delight our guests front of house by optimising guest experience, handling cash, cleaning, and maintaining food safety.

Run the engine that is middle of house by managing food prep and cleaning, with top communication, speed & accuracy, all whilst maintaining food safety.

Create that finger lickin' chicken by preparing food, cleaning, communicating with your team,

and maintaining food safety.

Be Original.

It's not just what you do at KFC. It's the way you do it. Unapologetically you, undeniably original. You'll work with colleagues who all bring their originality to the table, who bring energy, spirit and sizzle to the restaurant floor and make every shift high flyin' and high fryin'.

We take your ambition seriously; you'll be treated with respect and supported in everything you do as you roll up your sleeves and bring finger lickin' good chicken to our customers. And whatever your journey looks like, we'll help you get there. From flexible schedules to cross-training and the chance to earn qualifications, we got you.

There are all kinds of opportunities at KFC.

*We do things a little differently here. Our KFC family is made up of over 1,000 incredible restaurants, some of which are part of our Equity business and others owned by our Franchise partners. But what does that mean? Well, that means some things may look a little different in one restaurant to another, including the benefits on offer. However, that original KFC experience, where you bring your true and best self, stays the same wherever you join us.

Who we are.

Take one man with a big idea, add 11 herbs and spices, grit, ambition, and buckets of heart – you've got KFC. Since 1952, we've been bringing finger lickin' good chicken to the world. But without our people, The Originals, none of it would be possible. Everyone at KFC is different. Unique. It's what makes us special. We'll always be original. And we welcome you join us; to bring it. Your energy, grit, spirit, and story.

Ready to apply?

If you are ready to bring your passion, skills, and dedication to KFC, we encourage you to apply now. We look forward to welcoming you to our team and embarking on this extraordinary journey together. Bring it.
