A fantastic opportunity has arisen for a Refrigeration Case Cleaning Technician to join one of the country's leading refrigeration service contractors within the Luton and surrounding region.

They have an immediate requirement for a Case Cleaning Technician to manage and carry out the cleaning of refrigeration cabinets in various supermarket stores throughout the region.

Job Function:

To undertake the cleaning of refrigerating cabinets whilst operating in compliance with company policy and procedure

Delivery of planned cleaning of refrigerating cabinets which will involve emptying the cabinets, cleaning inside (including filters) in readiness for Refrigeration Engineers doing the maintenance on the cabinets.

Liaising with the supervisor to ensure that cleaning tasks are delivered on time and to the agreed specification

Ensuring compliance with relevant health and safety regulations

Representing the company in a professional and competent manner at all times and

develop strong working relationships with colleagues and clients

Skills / Background Required:

Experience of cleaning / basic maintenance, ideally within a retail environment or industrial cleaning environment

Full driving licence and flexible to travel on a daily basis

A friendly and confident attitude

The ability to work independently as well as within a team

Positive approach and committed to the delivery of outstanding customer service

Physically fit as the role will involve a lot of bending and lifting
