Location: London

Category: business-and-financial-operations

Job Description

Lead Consultant – Private Equity Technology - London, Hybrid

£110k + Bonus, Corporate Benefits

Our client is a truly global financial technology and leading professional services consulting firm. They are looking for a Senior / Lead Consultant with experience in financial services / client facing experience with a focus on software implementations and Private Equity or Alternative Investments with a specialist find accounting platform.

This role will be an integral part of delivery of client implementations, upgrades, custom solutions and integrations to ensure clients are successfully onboarded on the platform.

Role:

Work on technology business consulting projects to meet specific client requirements

Serves as liaison between end-users and consultants during consulting projects

Expertly researches and documents client needs, technology or regulations

Defines product scope, objectives and requirements.

Creates detailed specifications from which programs will be written

Analyzes marketplace, industry, company, technology trends and best practices,

Devises and/or modifies processes and procedures to achieve greater efficiencies

Assesses available technologies and recommends solutions to consulting team

Influences clients, business partners and service providers regarding priorities,

Consults directly with clients and may travel to client site

Experience:

Minimum 6 years of financial services / client facing experience with a focus on software implementations

Experience in working with Private Equity (or Alternative Investments) firms and an understanding of the PE lifecycle is an advantage

Ideally experience of Investran, Allvue, eFront, or similar Private Equity fund accounting software

Superb time management and organizational skills

Ability to work in a fast-paced environment with high attention to detail

Excellent communication skills with the ability to effectively interface with all levels

Problem solver who takes the initiative

#consulting #privateequity #alternatives #investran #efront #allvue
