[Apply Now](#)

Company: Ticketmaster UK Limited

Location: United Kingdom

Category: computer-and-mathematical

Job Summary:

WHO ARE WE?

Live Nation Entertainment is the world's leading live entertainment company, comprised of global market leaders: Ticketmaster, Live Nation Concerts, and Live Nation Media & Sponsorship. Ticketmaster is the global leader in event ticketing with over 550 million tickets sold annually and more than 12,000 clients worldwide. Live Nation Concerts is the largest provider of live entertainment in the world promoting more than 40,000 shows and 100+ festivals annually for nearly 4,000 artists in over 40 countries. These businesses allow Live Nation Media & Sponsorship to create strategic music marketing programs that connect over 1,000 brands with the 98 million fans that attend Live Nation Entertainment events each year. .

WHO ARE YOU?

Passionate and motivated. Driven, with an entrepreneurial spirit. Resourceful, innovative, forward thinking and committed. At Live Nation Entertainment, our people embrace these qualities, so if this sounds like you then please read on!

THE TEAM

Core Data Services team is at the center of Data and Analytics initiatives. We are building a modern data platform to support enterprise data needs. Our mission and yours too should you choose to, is to empower and enable our International data community of product, engineering, data scientists, analysts teams and decision makers to create value using data assets that you help build.

We are looking for a **Lead Data Engineer, You!**

WHAT THIS ROLE WILL DO

Support current technology stack (**MS*Server, SSIS & Talend**) for one of our key teams:
the **International team!**

Design, develop, test data pipelines and modernize it for scale and stability

Partner with our product, engineering, operations and BI teams regularly as part of the development life cycle

Document your work and help maintain our existing documents using Confluence, Google Docs, Lucid Charts and other such tools stack

Work with our vendors and data providers

Support and stabilize production environments

WHAT THIS PERSON WILL BRING

You hold a Bachelors or Masters degree in Computer Science, Data Science, Mathematics or equivalent Engineering discipline

You have experience building Data Lakes, Data Warehouses using the Big data & cloud stack

dimensional/star schema data modeling

You know agile development methodologies and development life cycles

You know how to translate user stories into technical requirements and in turn into a code and a tangible reliable workflow

You are curious and enjoy problem solving in the data world using Data Science tools stack

You understand metadata and help catalog and build as part of the development life cycle

Nice to have: Databricks, Snowflake

Good to have: diverse data sources and data formats (xml, json, yaml, parquet, avro, delta) and respective use cases

Good to have: knowledge of version control systems such as git and CI/CD workflows and practices

You love learning, are motivated and a self starter

Agile development methodologies using the Atlassian suite: Jira, Confluence

Excellent communication skills

ETL design, development using **SQL Server Integration Services (SSIS, SSRS) and Talend**

Nice to have ANSI SQL and Spark SQL

Nice to have work flow automation, orchestration using Airflow,

Nice to have: cloud services from Amazon AWS, Google GCP and Microsoft Azure

Nice to have: streaming (Kafka) and batch based data sources

BENEFITS & PERKS

Our motto is 'Taking Care of Our Own' through 6 pillars of benefits:

HEALTH Medical, Vision and Dental benefits for you and your family, including Flexible Spending Accounts (FSA) and Health Savings Accounts (HSAs)

YOURSELF: Generous paid time off policy including paid holidays, sick time and paid days off for your birthday, Free concert tickets

WEALTH: 401(k) program with company match, Stock Program

FAMILY: New parent programs & support including caregiver leave and childcare cash, infertility support

CAREER: Tuition reimbursement, student loan repayment internal growth and development programs & trainings

OTHERS Volunteer time off, crowdfunding network

Live Nation's policy regarding vaccinations and masking related to a pandemic or other infectious disease control measures, acts of God, health and safety mandates and/or restrictions imposed by applicable local, state or federal governments has evolved over time.

Currently, we strongly encourage employees to be fully vaccinated from such infectious diseases for which vaccinations are available. You are expected to follow Live Nation's health and safety protocols and policies as they change from time to time
