Lead Electrical Engineer - Southampton - Up to £45,000

A key client of mine, an industry leading FM powerhouse are seeking the services of an experienced electrical engineer who has some lead/supervisory experience within the commercial industry. This is a static role working in a multi-storey commercial office building with high end corporate clients inside. Previous experience with working in corporate buildings is desirable but not essential.

You'll be working/leading a small team of multi-skilled engineers reporting into the contract manager directly, this will still be a hands on role with some minor admin duties included, so the right candidate must be computer literate.

Requirements/Overview:

* Lead Electrical Engineer

* Southampton

* Corporate Commercial offices

* Mon-Fri 8-5

* Parking nearby (Free)

* PPM's + Reactive Maintenance

* Minor Admin duties

* NVQ level 3 or equivalent

* 18th edition

* mechanical/plumbing knowledge

* 25 days AL + BH

* Pension

* Training/Up-skilling and progression

Please apply to learn more about the site and my client and to set up a confidential chat about this opportunity.
