Company: Reperio Human Capital

Location: United Kingdom

Category: computer-and-mathematical

Lead Software Engineer

98433

Desired skills:

.NET, C#, Azure, Angular, Team Lead

Lead Software Engineer

£75,000 - 85,000

Hybrid - Northern Ireland

My client is a market leading SaaS brand who have huge projects planned for 2024. The company will be hiring dozens of developers across all areas of IT and as the company scales up there will be fantastic opportunities for progression, to learn new technologies and to up-skill in their modern, cloud-focused tech stack.

This company work with some of the biggest brands in the world delivering business-critical software solutions which elevate their online presence to new heights. They are trusted by several fortune 500 companies and build web applications which are accessed by 10s of millions of customers monthly.

They are looking for a Hands-On Lead Software Engineer with fantastic experience using C#, .NET Core, Angular, Azure and NoSQL databases. This role does not require Leadership experience though, so it is a fantastic opportunity for an experienced Senior Full Stack Engineer ready to make the next step up in their career.

Responsibilities

Lead a team of highly talented Full Stack Software Engineers building out key features from end-to-end

Maintain standards and drive continuous improvement in your development team

Work closely with senior stakeholders, such as Architects, Scrum Masters, QA Leads, DevOps teams and more

Advocate for best practices

Use a DDD and TDD approach

Requirements

6+ years' software development experience

Strong experience in C#/.NET stack

Excellent communication skills

Knowledge and experience with WebAPI

Knowledge and experience with Angular (or React or Vue)

Knowledge and experience with NoSQL databases (ideally CosmosDB)

Knowledge and experience with Azure highly beneficial, including App Insights, Functions and DevOps

Benefits

Health and dental insurance

Strong pension contribution

Relocation assistance (within Ireland)

Unrivalled progression opportunities

Reperio Human Capital acts as an Employment Agency and an Employment Business.
