Learning Mentor- Hemel Hempstead-Education and Training- Learning Mentor- Hemel Hempstead

Are you looking for a new challenge this September?

Do you have a passion for working with children with special educational needs?

I am currently working with a specialist school in Hemel Hempstead who are looking for SEN Teaching Assistants, or Learning Mentors to join their team on a permanent basis.

No experience is necessary as full training and career progression development will be provided by Academics and the provision. The school in Hemel Hempstead are seeking a compassionate and resilient individual who is sincere about working with children with complex needs.

The School caters for primary aged pupils who have social emotional mental health difficulties, moderate learning difficulties and challenging behaviours. In some cases the pupils will have complex family lives and will have endured significant traumas from a young age.

This is a great opportunity for a graduate with a keen interest in mental health or SEN, or an experienced Teaching Assistant or Learning Mentor looking for a new challenge within a financially rewarding role.

The school offers excellent transport links to the M1 and is easily accessible on public transport. Parking is available on site.

To arrange a consultation chat about the school please contact me on 01442-934950 or submit your CV today.
