Reeson Education is currently seeking an experienced learning mentor to join an independent school catering to children who have been removed from mainstream education due to challenging behaviour, anxiety, and mental health issues. This is a term-time only role with working hours of 08:30-16:30.

As a learning mentor, you will be responsible for providing individual support to students with EHCPs, tailoring your approach to meet their specific needs. You will work closely with students to help them overcome their behavioural issues and achieve their academic and personal goals.

To be considered for this role, you must have experience working with young people with complex needs, as well as the ability to build strong relationships with students and colleagues alike. You should be patient, compassionate, and able to inspire students to achieve their best.

Applicants must have an enhanced DBS on the update service or be able to apply for one through Reeson Education. You must also be able to commit to this role until at least July 2024.

This is a fantastic opportunity to work in a supportive and nurturing environment where you can make a real difference in the lives of vulnerable young people. **Please only apply if you are available immediately and are able to work 5 days a week.**
