

## Lecturer - Engineering

[Apply Now](#)

Company: Hertford Regional College

Location: Broxbourne

Category: educational-instruction-and-library

### **Lecturer in Mechanical or Electronic Engineering – Permanent – 36 hours per week – Hertford Regional College – Broxbourne Campus**

**Salary £28,555 - £36,092 per annum, plus up to £5,000 per annum Market Supplement, dependent upon experience and qualifications**

Hertford Regional College are seeking a highly motivated Lecturer in Engineering to teach on a range of programmes including Extended Diploma BTEC level. Successful candidates will be fully qualified teachers or willing to undertake training towards achieving a full teaching qualification and possess the relevant professional qualification in engineering. Following the removal of the Btec Qualifications the Lecturer will be responsible for planning of the T-Level qualifications.

We are looking to add to the existing team and preference is given to someone with either an electronic or mechanical and maintenance background. The ideal candidate will be a good all-round engineer and able to make theory come to life in the classroom. All applicants should have a strong, demonstrable, engineering background.

#### **About us**

Hertford Regional College has recently been graded a Good College by Ofsted (2021) and is a vibrant, dynamic further education college across two campuses with, ambitious growth and development targets. Our passion for supporting our community and inspiring our students is manifested in our focussed strategies, and we are working hard to make the vision a reality.

Hertford Regional College can provide you with some of the best in house training and staff

development opportunities to maintain your continuous professional development.

Hertford Regional College offers access to state of the art facilities for staff and students, a defined benefit Pension scheme, free parking, Arriva Travel Club (Discounts on local bus travel), onsite refectory with subsidised coffee outlet, a gym and a library.
