Lecturer in Construction Management - Birmingham

At GBS (Global Banking School), we invest in our people and our students are at the heart of everything we do because we know education is transformational. Our mission is to change lives through education, and we take an inclusive approach to recruiting students, with an aim to widening access to higher education among groups currently under-represented in the sector.

We are currently seeking **Full time Lecturers to teach Construction Management related courses in partnership with our Bath Spa University programme in Birmingham .**

Please note you will need to be flexible to teach during weekdays, evenings and weekends.

This role is not eligible for visa sponsorship.
