*Trainee Financial Adviser opportunity - LEVEL 4 QUALIFIED - UK Wide***Have you gained your CII/LIBF/CISI level 4 qualification and ready to move into an Adviser role? If so this may be the opportunity you are seeking! We are hiring for Trainee Financial Advisers for a new, fully funded training academy (18 months guaranteed income). This is a fantastic opportunity to enter a structured academy programme that will support you developing the necessary skills to help launch you're Adviser career - including client introductions - required to become a successful financial adviser. In this academy you will: Develop core skills and behaviours relevant to the job role Enjoy the support of a structured learning programme Have access to industry leading learning content and experienced tutors Receive guidance from experienced colleagues throughout your journey Develop the expertise to engage, interact with, and ultimately advise clients Receive all the tools required to excel in your new financial services career Build a successful financial services practice Gain access to lead generation to assist in the early days of your advising career Reduction in fees and access to business support functions such as marketing So, what's the criteria of entry for the academy programme? You should have a strong desire to develop yourself and to help others achieve their financial goals. While financial support is available for successful candidates, the opportunity is best suited to individuals with an entrepreneurial spirit, looking to grow and run a business as funding support whilst be in place for a period of time only. You need to be committed to applying yourself diligently. The ideal delegate to this academy is someone who has enjoyed a successful career and is now seeking a change / second career but we will also consider first-time careerist having recently left college, or

university. Regardless of your background there are some key characteristics we look for in applicants. These are...A history of academic achievementEntrepreneurially mindedAbility to demonstrate an interest in the financial services industry and in particular advice & planningCommitment, drive and passionAn enthusiasm to engage with people and understand them betterA natural curiositySelf-motivatedAn ability to communicate clearly and conciselyExcellent time management and organisational skillsYou must be open to a self-employed position with the knowledge this can come with a variable income.Job Type: Full-timeSalary: min. £24,000
