

Lifting Ops Supervisor / slinger / signaller

[Apply Now](#)

Company: Workforce on Demand

Location: York

Category: construction-and-extraction

Acting on behalf of my client a nationwide commercial construction consultancy, Workforce On Demand require an experienced slinger / banksman / woman / lifting operation supervisor for an immediate start working on a new hotel project under construction within the centre of York.

Responsibilities:

- Directing and guiding the movement of vehicles and machinery
- Ensuring the safe and efficient operation of vehicles and machinery
- Communicating with drivers and equipment operators to coordinate movements
- Using hand signals, radios, or other communication devices to relay instructions
- Monitoring the surrounding area for potential hazards and ensuring safety protocols are followed
- Assisting with the loading and unloading of materials and equipment
- Keeping accurate records of vehicle and equipment movements

Plan, coordinate, and supervise lifting operation, ensuring compliance with relevant health and safety regulations.

- Conduct comprehensive risk assessments and develop method statements for lifting activities, taking into account site-specific conditions and requirements.
- Liaise with project managers, site managers, and lifting teams to develop lift plans and schedules that meet project objectives and safety standards.

- Select appropriate lifting equipment and ensure that it is properly inspected, maintained, and operated by competent personnel.
- Provide clear instructions and guidance to crane operators, riggers, and other lifting personnel, ensuring that lifting operations are carried out safely and efficiently.
- Monitor lifting activities closely to identify and address any potential hazards or issues, taking corrective action as necessary.
- Maintain accurate records of lifting activities, including lift plans, risk assessments, equipment inspections, and personnel certifications.
- Conduct regular audits and inspections of lifting equipment and procedures to ensure compliance with legal requirements and company standards.

Experience:

- Previous experience as a Slinger / Banksman / lifting operation supervisor
- Knowledge of construction site operations and safety procedures
- Familiarity with hand signals used for directing vehicles and machinery
- Ability to effectively communicate with drivers, operators, and other team members
- Strong attention to detail and situational awareness

Requirements:

- * Must have a valid Blue CPCS Slinger / Banksman card - ticket
- * Must have a valid Blue CPCS (A62) Crane Supervisor card - ticket

Duration: 20 weeks

Competitive hourly rate.

Can pay CIS (UTR Number required) or PAYE

If you hold the above and available for an immediate start please submit your CV or for further details please contact a member of the Workforce On Demand team.
